

NOTICE

Dear Parents,

As you may be aware from news reports that a very sad and unfortunate incident of the death of a child happened in Children's Girl School in Azamgarh. Our hearts go out to the parents of the child. At the same time we stand in solidarity with the school Principal and Class Teacher who were arrested without a proper enquiry into the matter for doing a routine job of checking the bags of children to see that no restricted items like mobile phones which are against the school rules, to get to the school are confiscated.

On the **8th of August, 2023** we are closing our school for the children in solidarity with other schools of UP.

Thank you

Team Chintels
