

SUMMER CAMP

GENERAL AGENDA -2024

Game description:

- Prepare cards or slides with color names written in different colors (e.g., the word "RED" written in blue ink).
- Ensure a mix of congruent (color and word match) and incongruent (color and word do not match) cards.

Age Group:

- Suitable for ages 6 and above

Objective:

- Enhance cognitive flexibility and attention
- Improve color recognition and word association skills
- Foster quick decision-making abilities

Outcome:

- Participants will be able to better differentiate between colors and the names of colors
- Improved ability to process conflicting information
- Enhanced concentration and mental agility

Time Duration:

- 10–15 minutes per round

Number of Participants:

- 2 to 10 players (ideal for small groups or classrooms)

1) COLOR CONFUSION

BROWN ORANGE PURPLE
PINK BROWN GREY RED

Game description:

- Prepare a list of words suitable for the age group. Ensure the environment is quiet to help players focus.

Instructions:

- Read the list of words aloud to the participants.
- Allow a few moments for the participants to memorize the words.
- Ask the participants to recite as many words as they can remember.

Age Group:

- Suitable for ages 6 and above

Objective:

- Enhance memory and cognitive skills
- Improve focus and concentration
- Provide a fun and educational challenge

Outcome:

- Improved memory retention and recall
- Enhanced cognitive abilities
- Increased attention to detail

Time Duration:

- 10–15 minutes per round

Number of Participants:

- 2 or more players (ideal for small groups or classrooms)

2) MEMORY GAME

[Demo Video](#)

Game description:

- Participants stand in a circle, shoulder to shoulder. Each person extends their right hand into the circle and grasps the hand of someone across from them.
- Simultaneously, each person extends their left hand and grasps the hand of a different person.
- The group's task is to untangle themselves without releasing any hands.
- The goal is to form either a single circle or interconnected circles by the end of the activity.

Age Group:

- Suitable for ages 6 and above

Objective:

- Foster teamwork and collaboration
- Enhance problem-solving and communication skills
- Build trust among participants

Outcome:

- Improved ability to work together to solve complex problems
- Strengthened group cohesion and trust
- Enhanced verbal and non-verbal communication skills

Time Duration:

- 15–20 minutes per round

Number of Participants:

- 6 to 12 players (ideal for small to medium-sized groups)

3) HUMAN KNOT

[Demo Video](#)

Game description:

- Divide players into two or more teams.
- Provide drawing materials (e.g., paper, markers) and a timer.
- Each team takes turns choosing a player to draw.
- The chosen player picks a word or phrase to draw (without revealing it to their team).
- The player has a limited time to draw the word/phrase while their team guesses.

Age Group:

- Suitable for ages 9 and above

Objective:

- Enhance drawing and guessing skills
- Improve teamwork and communication
- Encourage creativity

Outcome:

- Improved ability to communicate ideas visually
- Enhanced teamwork and collaborative skills
- Increased creativity and quick thinking

Time Duration:

- 10 minutes per round

Number of Participants:

- 4 or more players (ideal for teams)

4) Pictionary

[Demo Video](#)

Game description:

- Divide players into two or more teams.
- Prepare a list of movies, books, or phrases to act out.
- Instructions:
- Each team takes turns sending one player to act out a word or phrase.
- The acting player must convey the word/phrase using only gestures and actions.
- The team tries to guess the word/phrase within a set time limit.

Age Group:

- Suitable for ages 8 and above

Objective:

- Improve non-verbal communication skills
- Enhance teamwork and collaboration
- Encourage creativity and quick thinking

Outcome:

- Better ability to convey ideas without words
- Strengthened teamwork and collaborative skills
- Increased creativity and spontaneity

Time Duration:

- 5-10 minutes per round

Number of Participants:

- 4 or more players (ideal for small groups or classrooms)

5) DUMB CHARADES

Demo Video

Game description:

- The students are split into groups of two, and one student is chosen to be the 'blind artist'. The other student is provided with a picture of an object, which must be described to the other 'blind artist'. Students are not allowed to name the object or its purpose.

Age Group:

- Suitable for ages 6 and above

Objective:

- Improve verbal communication and listening skills
- Foster teamwork and cooperation
- Encourage creativity and spatial awareness

Outcome:

- Enhanced ability to give and follow detailed instructions
- Strengthened teamwork and trust among participants
- Increased creativity and spatial reasoning

Time Duration:

- 20–30 minutes per game

Number of Participants:

- 4 or more players (ideal for small groups or classrooms)

6) BLIND ARTIST

[Demo Video](#)

Game description:

- Select one player to be "Simon." The rest of the players stand facing Simon.
- Instructions:
- Simon gives commands starting with "Simon says..."
 - Players must only follow the commands that start with "Simon says." If Simon gives a command without saying "Simon says," players should not follow it.

Age Group:

- Suitable for ages 7 and above

Objective:

- Enhance listening skills
- Improve focus and attention
- Encourage physical activity

Outcome:

- Better ability to follow instructions
- Improved concentration and attention to detail
- Increased physical coordination

Time Duration:

- 15–20 minutes per round

Number of Participants:

- 3 or more players (ideal for groups)

7) SIMON SAYS
