Dear Friend,

Welcome to "It Takes a Word", a platform where creativity meets purpose to champion children's rights. This initiative invites people from diverse backgrounds and talents to come together in a vibrant celebration of hope, inclusivity, and the power of expression.

Through the three formats of Write, Speak, and Sing, participants will explore the themes of Climate Action and Mental Well-being, igniting change for a more just, sustainable, and compassionate world for children.

This festival of words, voices, and melodies aims to inspire joy, build awareness, and motivate action, proving that every expression counts in making a meaningful difference-not just for children, but for ourselves as well.

Below, you'll find details about the themes, activities, and simple guidelines to help you participate. We encourage you to spread the word and inspire others to join. Because as we believe at CRY: "It's always bigger together."

Warm regards,
The CRY Team

1. What am I invited to do?

“It Takes a Word” is more than a competition—it’s a celebration of creativity for a cause. Whether you love writing, enjoy speaking, or are passionate about music, this is your chance to amplify the voices of children and create ripples of awareness, hope, and action.

2. Are there specific themes?

Yes, the two themes are:

- Emotional Well-being and Children: “A world where children feel seen, safe, and supported is one where they can truly thrive.” This theme focuses on nurturing young minds, highlighting the importance of emotional well-being in ensuring a happy and healthy childhood.
 - Climate Action for Our Children: “The future of our children lies in the decisions we (adults and children) make for our planet today.” This theme emphasizes the urgency of climate action to safeguard a sustainable and safe world for future generations.
-

3. Who can participate?

Anyone aged 12 years and above is welcome. Participants below 18 years must have parental consent and provide proof during submission.

4. How do I submit my entry?

- Prepare your submission based on the activity guidelines.
- Ensure your entry aligns with CRY's Child Safeguarding [Policy](#) and upholds the values of justice, equity, dignity, and integrity.
- Use the Google Form link provided to upload your entry [here](#).

Remember: even if you pick multiple activities under this festival, make a one-time submission to avoid confusion.

5. What is the deadline for submissions?

The Celebration runs from December 5, 2024, to January 15, 2025. All entries must be submitted by January 15.

6. What's in it for me?

- Use your skills to support a cause.
 - Diverse participation options to suit your preferences.
 - Volunteer with CRY—a trusted and impactful organization.
 - Stand a chance to win certificates, special mentions, and participate in a Virtual Open Mic Event.
 - Attend masterclasses by experts.
-

7. Can I submit entries in my mother tongue?

Submissions can be made in English or any Indian language. If using a language other than English, an English translation is encouraged for evaluation purposes.

8. When will the winners be announced?

Winners will be announced by the end of January 2025, followed by a virtual culmination event.

9. How does my participation help children?

When you participate, your words and expressions amplify awareness of issues affecting children. Your efforts support CRY's mission to ensure happier, healthier lives for children through actionable change.

10. How does fundraising or donation help the cause?

Your participation in "It Takes a Word" becomes even more impactful when accompanied by a donation. A small contribution—whether ₹100, ₹500, or more—goes a long way in ensuring that children live safe, happy, and healthy lives.

While this is optional and not a mandatory requirement at all, every donation supports CRY's programs aimed at:

- Keeping children in schools and out of labour.
- Providing access to nutrition, healthcare, and emotional well-being.
- Protecting children from abuse and exploitation.

Your generosity, combined with your creative expression, amplifies the power of change, ensuring a brighter and more secure future for children.
