OBJECTIVE

Passionate and driven BBA student with a strong inclination toward social impact, sustainability, and community-driven change. Seeking an internship at **CRY** to apply my skills in research, project execution, and marketing while contributing meaningfully to grassroots development initiatives.

EDUCATION

T. A. Pai Management Institute (TAPMI), Bangalore

Bachelor of Business Administration (BBA), Finance & Marketing (2024 - Present)

- Relevant Coursework: Design thinking (Social Entrepreneurship), Business Strategy, Financial Analysis
 - Volunteer | Sustainability Committee (SCOT)
-

SKILLS & COMPETENCIES

- **Social Impact & Community Engagement:** Understanding of grassroots development and sustainability initiatives.
 - **Research & Analysis:** Ability to conduct impact assessments, surveys, and data collection for projects.
 - **Project Management:** Experience in organizing social campaigns and community outreach programs.
 - **Marketing & Content Creation:** Proficient in digital marketing, social media campaigns, and storytelling for social causes.
 - **Fundraising & Outreach:** Strong communication skills for donor engagement, crowdfunding, and proposal writing.
 - **Tools & Technology:** Canva, MS Office, Google Suite, Social Media Analytics.
-

EXPERIENCE

Marketing Executive & Content Creator | The Spice Club (Fintech App)

Dec 2024 – Present

- Spearheaded content strategies targeting college students to drive engagement.
 - Assisted in launching the **Spice Experience** travel segment, focusing on affordable trips for young travellers.
 - Collaborated with a team to optimize brand positioning and outreach efforts.
-

PROJECTS & INITIATIVES

- **Sustainability Campaign (SCOT)** – Proposed a project to reduce food waste in hostels.
 - **Volunteer Work** – Taught underprivileged children basic math and English as part of a community outreach program.
-

WHY CRY?

I deeply resonate with CRY Foundation's mission of "**ensuring every child in India has the right to a happy and healthy childhood.**" My background in **marketing, social impact, and project execution** aligns with the organization's need for dynamic, young changemakers. I am eager to bring my **storytelling, fundraising, and strategic communication skills** to support CRY's initiatives in child rights advocacy, education, and healthcare.
