Education

Shri Guru Gobind Singhji institute of engineering and technology, Nanded. Electronics and Telecommunication Engineering CGPA: 8.93	2023 - 2027
Jayaji Maharaj and Anantrao Deshmukh Junior College. Class XII , Percentage:74.50	2021 - 2023
Smt. Sarala Ram Kakani Education Academy, Murtizapur. Class X , Percentage:96.60	2020 - 2021

Skills

C | Python | Content Writing | Basic AI Concept | Teamwork | Problem-Solver | Coding enthusiastic |

Projects

Smart Car parking system

- Designed and implemented a system that would solve parking problems and use parking space efficiently specially in urban cities.
- Created a user friendly interface to check the number of parking slots.
- Worked on both software and hardware .

Line follower

- Designed and built an line follower using various components like Arduino and IR sensors that follows a specific line as per the code instructions.
- Wrote a code for its well functioning that commands the line follower about the correct path .
- Worked in a team.

Academic and Extracurricular Achievements

- Postman API Fundamentals Student Expert certificate.
- Participated in **RMAGEDDON** (An Technical event conducted by RNXXG Club) and built an line follower using Arduino technology.
- Participated in **SIH** (Smart India Hackathon) and worked on Medicine Vending Machine which would work as ATM machine providing medicines 24/7.
- Microsoft AI Skills challenge.
- Infosys OpenAI GPT-3 Certification.
- Infosys Deep learning and Data science certification.

Positions of Responsibility

Entrepreneurship cell || Team Kautilya || Student Member

August 2023-Present

- Managed the workshops conducted by the club like solar lamp workshop and few technical workshops.
