Academic Achievements

MBA	2026	Bharathidasan Institute of Management, Trichy	Pursuing
B.Tech (Mech)	2022	Amrita Vishwa Vidyapeetham	6.88/10
Class XII	2018	Velammal Higher Secondary School (TN Board)	87.4%
Class X	2016	Velammal Higher Secondary School (TN Board)	93.8%

Certifications

- "Spreadsheet Modeling" by Harvard Business Publishing - 2024
- "Mathematics for Management" by Harvard Business Publishing – 2024
- "Microsoft SQL" from udemy - 2023
- "Python" from coursera - 2022

Professional Experience

15 Months

Newgen Software Technologies Ltd. Application Engineer Oct 2022 – Dec 2023

- Customized and implemented products based on client requests, including gathering detailed requirements. Ensured that the products met specific client needs and expectations through rigorous testing.
- Demonstrated strong technical support and application expertise, leading to optimized performance, continuous improvement recommendations and product innovation, while acquiring skills in enhancing system efficiency and effectiveness.
- Delivered targeted technical training to over 40 end-users on the new DMS software, ensuring effective use and seamless adoption.

Achievements: -

Newgen - Pinnacle Performance: Received dual recognition as a pinnacle performer at Newgen Software Technologies for significant contributions to the successful implementation of the DMS project. Received a perfect 10/10 rating from the client for the 'customer-centricity' approach.

Academic Projects

- Machinability Characteristics of Inconel 625 using Bio lubricant with Nanoparticles
Description: The objective is to find the surface roughness, material removal rate and spindle speed vibration while milling Inconel 625 using natural oils with nanoparticles as lubricants. The findings were published in an academic paper.

Publications:

- [Review on bio lubricants and nanoparticles as additives in machining process](#)
- [Parameter Optimization and Machining Performance of Inconel 625 with Nanoparticles Dispersed in Bio lubricant](#)

Leadership Positions

Amrita Techfest – Coordinator:

Crafted an immersive experience for participants through curated networking sessions, vibrant social events, and engaging interactive activities, while utilizing PR skills to promote the event across various colleges and institutions.

Extra-Curricular Activities

- Ranked third place in a district-level chess tournament in 2018
- Participated in intra level Table Tennis tournament in 2016
