PROFILE SUMMARY

I am a curious and driven Psychology and Anthropology student with a background in education, creativity, and social service. Skilled in creativity and problem-solving, I thrive in inclusive environments and enjoy connecting with people from all walks of life. Passionate about contributing to impactful projects, I am always eager to learn, grow, and engage in opportunities that challenge and inspire me. Committed to understanding and working with diverse communities, I strive to foster meaningful connections across different perspectives and experiences.
