## Summary

Hello there! I'm Parnika , a passionate and driven student currently pursuing a bachelor's degree in computer science and engineering at SRM Institute of Science and Technology Kattankulathur.

As a technology enthusiast, I am dedicated to expanding my knowledge in the dynamic field of computer science. My academic journey at SRM has equipped me with a strong foundation in programming and algorithms. With 50+problems solved on LeetCode , I enjoy tackling algorithmic challenges that push me think critically.

I am particularly interested in artificial intelligence, machine learning, and I am eager to explore innovative solutions that can positively impact the world.
