Time Management

## PROFESSIONAL EXPERIENCE

**National Service Scheme (NSS)**

**August 2023 - Present**

**Member**

Actively engaged in various community welfare programs, collaborating with healthcare professionals and local authorities to ensure successful implementation of public health initiatives. Provided support in awareness campaigns, encouraging community engagement, and promoting social welfare. Strengthened interpersonal skills while working closely with diverse groups to address social and healthcare needs.

### Community Welfare Programs

Organized and participated in multiple community welfare programs focused on addressing social and healthcare needs. This involved coordinating food drives to collect and distribute essential supplies to underprivileged communities, ensuring proper delivery and outreach. Participated in animal feed drives, providing necessary resources for stray and abandoned animals while raising community awareness. Additionally, contributed to polio vaccination camps by assisting healthcare professionals, facilitating public engagement, and promoting immunization efforts within local communities.
