RESEARCH PROJECT

Dissertation Title: The Influence of Predominant Emotional Regulation Strategy on Performance Anxiety among Trained Singers.

Duration: Completed on 4th September, 2024

Institution : Indian Institute of Psychology and Research

PROFILE

I am a dedicated and compassionate Counselling Psychologist with a year of hands-on experience in working extensively with adolescents and young adults (ages 13-29) navigating a variety of challenges, including anxiety, loneliness, relationship difficulties, family issues, body image and self-acceptance, academic and career issues. I utilize an eclectic approach, drawing from behavioural and postmodern approaches, tailored to meet the unique needs of each client. My goal is to foster self-awareness, resilience, and personal growth, helping clients build healthier relationships and achieve greater emotional well-being.
