Subjects: English, Economics, Accountancy, Applied Mathematics, Business Studies.

Aggregate percentage 86.8

Symbiosis School of Economics – Pune, India

Bachelor of Science in Economics (Hons.) *Expected Graduation: 2028*

EXPERIENCE

Intern | Younity.in | April 2023 - May 2023

Interned as a Business Development Research Specialist, promoting courses and enhancing my communication and persuasion skills. Successfully increased enrollments by effectively engaging with potential customers.

Volunteer | Exhibition | July 2023

Assisted in setting up stalls and engaged with artisans to attract customers by highlighting their craftsmanship.

Informal Teaching | NGO

Taught underprivileged students basic math and English, fostering their interest in education.

Organizing Drives

Led and organized bake-sales and small-scale donation drives, collecting and distributing essentials to those in need.

SKILLS

Communication Skills: Excellent verbal and written communication, capable of engaging with diverse groups.

Team Collaboration:

Developed strong teamwork and communication skills through active participation in team sports, school events and volunteering.

Analytical Skills: Developed strong analytical and problem-solving abilities through participation and success in various Olympiads and several other Competitive exams.

Organizational Skills: Experience in planning, organizing, and executing events through volunteer work at the HITEX Tatva exhibition along with participation in school's cultural events and functions.

Photography: Served as Deputy Head of my college's photography club, combining technical skill with a passion for capturing people and moments as they are.

Creativity and Innovation: Ability to think creatively and generate innovative ideas, supported by a strong interest and involvement in art.

Technical Proficiency: Familiarity with Google Docs and basic tech tools for documentation and reporting.

LANGUAGES

English, Hindi, Punjabi
