

SUNAINA DASGUPTA

Internship

To secure a challenging internship at CRY leveraging extensive experience in program development, research, and community outreach within the social and community development sector. Eager to contribute to CRY's mission by supporting impactful projects, contributing to research-based studies, and working with multiple stakeholders—parents, teachers, Anganwadi workers, communities, and governments.

PROFESSIONAL SUMMARY

- Experienced development professional with a proven track record of designing and implementing impactful social initiatives.
- Possesses expertise in conducting need assessment surveys, designing data collection tools, and analyzing quantitative and qualitative data to inform program development and impact assessment.
- Adept at stakeholder engagement, collaborating effectively with farmers, community members, and organizational stakeholders to drive project success and sustainability.
- Proven experience in coordinating and conducting awareness campaigns, training workshops, and outreach programs to promote community development and empowerment.
- Holds a Master's degree in Public Policy from University College London (UCL) and an MBA in Rural Management, demonstrating a strong academic foundation in policy analysis and development practice.
- Proficient in data analysis software including R, SPSS, and Microsoft Excel, enabling effective data management and reporting.
- Excellent communication, interpersonal, and report writing skills, ensuring clear and concise communication of project findings and recommendations.

WORK EXPERIENCE

Centre Coordinator- Corporate Social Responsibility

Emami Foundation (Kolkata-Haripal, Hooghly district) (Nov 2018 - Mar 2019)

Successfully managed and implemented a diverse range of community development programs focused on improving health outcomes, promoting education, and empowering women and girls. Demonstrated expertise in program development, community outreach, needs assessment, and stakeholder engagement to drive positive social impact within the region.

- Managed and executed a diverse portfolio of community development programs encompassing health outcomes, education, and women and girls' empowerment, resulting in positive social impact within the region.
- Designed, implemented, and managed weekly health camps, facilitating cataract screenings and connecting underserved communities in West Bengal with accessible, subsidized surgical interventions.
- Conducted extensive needs assessment surveys of local schools in West Bengal, gathering data to inform targeted resource allocation and support educational development initiatives.
- Developed and implemented community outreach programs, including book distribution drives, teacher training workshops, and vocational skills development initiatives, promoting education and economic empowerment.
- Launched and expanded educational access through the Ekal Vidyalaya program, establishing after-school and weekend classes tailored to the specific needs of underserved children in the region.
- Conducted a Menstrual Health Awareness survey, engaging 300 school-going girls in Haripal, West Bengal, to raise awareness about menstrual hygiene management and promote health education.

Intern

Professional Assistance for Development Action (PRADAN) (Kishanganj district, Bihar) (Apr 2017 - May 2017)

Successfully collected and analyzed primary data to understand migration dynamics within the region. Effectively facilitated dialogue and collaboration among stakeholders to gain a comprehensive understanding of the socio-economic impacts of migration

- Conducted field surveys and focus group discussions with women in Bahadurganj Block, Kishanganj district, Bihar, to gather insights into community needs and challenges.
- Carried out in-depth case studies on migration patterns and their impact on families and communities in the assigned village.
- Collaborated with diverse stakeholders, including women, migrants, brick kiln workers, Self Help Groups (SHGs), and local administration, to understand the complexities of migration and its socio-economic consequences.
