I am an undergraduate student pursuing BA Economics, Sociology and minor in Political Science at Christ (Deemed-to-University). As a highly motivated and passionate individual, I'm determined to consistently grow. I possess strong communication and interpersonal skills with the ability to effectively multi-task. I'm a problem-solver who likes to face challenges and put my critical thinking to test. I enjoy working collaboratively and bringing energy to every project I undertake. As someone who is committed to make a positive impact in both personal and professional life, I have constantly improved in various spheres and wish to continue the same. Having done Commerce and Applied Mathematics in school, I am proficient in understanding and analyzing markets and good with numbers. I enjoy public speaking and debates which have significantly contributed to my communication and presentation skills. In addition, I thoroughly enjoy being in intellectual spaces that contribute to my growth.
