### COMMUNICATION

I have outstanding communication skills, participated in legal aid program, communicated with people and helped people by hand overing their grievances to the judge, participating and helping the children to learn by working in NGO called U&I.

---

### LEADERSHIP

I'm very good at leadership and also very interested in leadership activities, I'm currently an emerging leader in NGO called U&I and also took initiative and conducted a program to bring awareness regarding the uses of legal aid.
