WORK EXPERIENCE

INTERNSHIP

- MINDBASKET INDIA | 6 Months | ONLINE**
Authored mental health and psychology-related educational materials. Developed case-specific content on progress, treatment plans, and projected outcomes based on real-life case studies.
Gained practical knowledge in conducting Mental Status Examinations (MSE) for children. Learned and applied SOAP (Subjective, Objective, Assessment, Plan) note documentation for counselling sessions.
Analysed case studies to synthesize insights and recommendations for therapy and interventions.
- APOLLO MULTISPECIALITY HOSPITALS | 1 Month | KOLKATA**
Observation based internship at Nabajatak Child Development Center (NCDC) based on various neurodevelopmental disorders with emphasis on early intervention, training session for parents, different therapy sessions for the holistic development of children in a multidisciplinary system
Participated in new patient evaluations, case history reviews, and interdisciplinary case discussions.
- FORTIS – Department of Mental Health and Behavioural Science | 15 Days | ONLINE**
Gained in-depth knowledge on various clinical concepts, psychological testing methods, therapeutic skills and the intersection of psychology and artificial intelligence.
- AJA Education and Foundation | 2 Months | Online**
Conducted in-depth research on children living below the poverty line and from backward classes in India. Created content pieces focusing on social, educational, and developmental challenges. Created content for the organization’s official webpage, ensuring accurate and impactful communication.
Guided and mentored four individuals in content writing, providing feedback and improving team output.
Synthesized research findings into clear, concise, and engaging content to raise awareness about marginalized children.

Volunteer Experience

- **Muskurahat Foundation | Online | 1 month**

Organized and participated in fundraising activities to support underprivileged children's education and well-being.
Conducted social media campaigns and community outreach to raise awareness about the foundation's mission.
