PROFILE

Highly motivated and ambitious student currently pursuing an MA in Public Relations and Advertising with a background in Sociology and Political Science. Has a deep understanding of human society and research skills. Excel at storytelling and crafting narratives that resonate with diverse audiences and amplify the messaging. Brings comprehensive experience in strategic communication, stakeholder engagement, and campaign management, with a specific focus on social and political contexts. Proven leadership in managing volunteer organizations such as Youth Red Cross and National Service Scheme, along with hands-on experience in organizing high-impact events and campaigns. Seeks to leverage expertise to contribute effectively to campaigns, government relations, or advocacy work.
