

ISHA JAISWAL

ASPIRING CLINICAL PSYCHOLOGIST

PROFILE

Empathetic and detail-oriented clinical psychology student dedicated to promoting mental wellness and enhancing individuals' quality of life. Eager to bring my skills to a clinical setting, assisting clients in achieving emotional and psychological resilience. Passionate about ongoing learning and applying best practices in mental health care to support clients in reaching their therapeutic goals

WORK EXPERIENCE

REGIONAL MENTAL HOSPITAL THANE

01-2024

30 DAYS OBSERVERSHIP

- Worked closely with psychiatrists, nurses, social workers, and other healthcare professionals to coordinate patient care
- observing intake assessments where patients' psychiatric histories were reviewed in detail.
- observed how psychologists employed these techniques to address a wide range of mental health issues such as anxiety disorders, personality disorders, and trauma-related disorders.

TUTOR

TUTOR FOR PRIMARY STUDENTS

2023

- Fostered students' critical thinking, problem-solving, and study skills
- Designed and provided supplementary materials such as practice tests, worksheets, and interactive activities to reinforce learning.
- Developed individualized learning plans tailored to each student's needs, strengths, and weaknesses.
