

ARYAN TYAGI

Software Developer

+91-9315575142 | Ghaziabad, Uttar Pradesh | aryandevtyagi3@gmail.com | [LinkedIn](#) | [Github](#) | [Leetcode](#)

Highly skilled and innovative Software Developer with great experience in designing, developing, and implementing robust software solutions. Proficient in multiple programming languages including C++, Java, Python, and JavaScript with a strong background in full-stack development. Committed to continuous learning and staying updated with emerging technologies to drive technical excellence and enhance project outcomes.

EDUCATION

Fatima Convent School

High School

Ghaziabad, Uttar Pradesh

April 2020 – March 2022

Ajay Kumar Garg Engineering College

Bachelor of Technology in Information Technology

Ghaziabad, Uttar Pradesh

November 2022 – July 2026

TECHNICAL SKILLS

Languages: C++ (DSA), Java, Python, HTML, CSS, JavaScript

Frameworks: MongoDB, Express.js, React.js, Node.js

Developer Tools: Git, VS Code, Postman

EXPERIENCE

Web Developer Intern [Certificate](#)

June 2024 – July 2024

CodSoft

Online

- **Developed a full-featured e-commerce website** using HTML, CSS, JavaScript, and React.js for the front-end.
- **Implemented the back-end using Node.js and Express.js**, ensuring efficient data handling and user request management.
- **Integrated MongoDB** for secure storage of user information, product details, and transaction records.
- **Implemented user authentication using JWT** for secure login and registration processes.
- **Conducted extensive testing** to ensure the website was secure, bug-free, and capable of handling multiple users simultaneously.
- **The website provided a seamless shopping experience and received positive feedback** from peers and mentors for its functionalities.

PROJECTS

Responsive QR Code Generator and Scanner [Link](#)

March 2024

- **Developed a QR code generator and scanner** using Node.js to encode and decode various data types (URLs, text, contacts).
- **Implemented QR code generation and scanning** with 'qrcode' library.
- **Designed a user-friendly interface** for seamless user interaction and easy navigation.
- **Conducted extensive testing** to ensure compatibility, responsiveness, and accuracy across multiple devices.
- **Demonstrated the application** to peers and mentors, receiving positive feedback for its functionality and potential applications in various fields.

Real-Time Online Code Editor [Link](#)

May 2024

- **Developed a real-time online code editor** with authentication and room creation functionalities using Node.js and Web Socket (MERN Stack).
- **Implemented user authentication** to ensure secure access and collaboration.
- **Created room-making feature** allowing users to program collaboratively with friends in real-time.
- **Conducted thorough testing** to ensure reliability, responsiveness, and synchronization across multiple users.
- **Demonstrated the application** to peers and mentors, receiving positive feedback for its collaborative capabilities and usability.

CERTIFICATES

Web Development Bootcamp by Udemy

Issued: February 13, 2024

Web Development Internship by CodSoft

Issued: July 13, 2024

Certificate of Participation in Flipkart GRiD 6.0 by Flipkart

Issued: August 27, 2024

Web Development with Node.JS MongoDB by Infosys Springboard

Issued: September 15, 2024

Certificate of Participation in TATA Crucible Campus Quiz 2024 by TATA

Issued: September 18, 2024

INTERESTS

Coding, Video Games, Music, Reading, Movie Enthusiast
