SUMMARY

I am a highly motivated and detail-oriented Sociology student at Presidency University with a keen interest in management, digital marketing, and brand strategy. My academic background has strengthened my analytical and research skills, while my proactive approach to learning has helped me develop leadership and teamwork abilities. I am eager to apply my skills in a professional setting, contributing fresh perspectives and innovative ideas. Passionate about marketing, I strive to stay updated with industry trends and look forward to opportunities where I can make a meaningful impact.

Company Description

- While I am a fresher, I have independently worked on projects related to social media management and digital marketing. I have:
 - Conducted in-depth research on social media trends and audience engagement strategies.
 - Collaborated with various brands and participated in brand promotion.
 - Managed personal and academic projects that involved teamwork, creativity, and leadership.
- I am eager to bring my strong analytical skills and innovative mindset to a dynamic work environment.
