SUMMARY

A keen learner and a curious student, determined to grow and adapt to change. With a capability in creative, report, web content writing and reading comprehension, I am eager to refine my already existing skills and learn more.

EXPERIENCE

Agrasar (NGO)
Gurugram, Haryana

December 2022 – August 2023

Project Intern

During my internship, I worked on the project of eliminating corporal punishment and involved in :

- Facilitating educational sessions with children to raise awareness about the detrimental effects of corporal punishment.
- Writing blogs and creating social media posts to amplify the message and reach a wider audience.
- conducting thorough assessments in classrooms to ensure the absence of corporal punishment.
- Undertaking research on child participation to understand the insights and perspectives of children regarding corporal punishment.

Agrasar

August 2023 – January 2024

Project coordinator

- Drafted quarterly/annual reports of different programs and projects.
- Wrote blogs and created posts for linkedin to build engagement.
- Engaged in relevant work to support the implementation of Eliminating Corporal Punishment (ECP) project and child participation.
