Graduated with 60% GPA

ICSE, Parle Tilak Vidyalaya, Mumbai

August 2007 — June 2017

Graduated with 94% GPA

★ PROJECTS

○ Hospital Readmission Reduction Program

The project aims to decrease the frequency of patients returning to the hospital shortly after discharge, enhancing patient outcomes and reducing healthcare costs.

Analyzed 130 hospitals over 10 years and used ML techniques like Random Forest to predict patients likely to be readmitted. Primarily used Python.

○ Estimating VaR using Copulas

Ten years of RBI data on currency exchange rates, 2430 observations, were analyzed using t copula and bb7 copula models to calculate daily value at risk at a 99% confidence interval.

VaR was found to be 1.36%. This demonstrates proficiency in risk management. Primarily used SQL, RStudio and Python.

○ Machine Learning for Customer Segmentation and Loyalty

Performed RFM analysis on 500,000 retail orders, segmenting 4000 customers into 3 categories.

Employed logistic regression to identify key revenue drivers with an accuracy of 85% and developed marketing strategies to boost business growth using ML techniques. Primarily used SQL, Python, and Tableau.

○ Sentiment Analysis of Indian Elections(LS) 2019

Performed sentiment analysis on 46000 tweets to predict the Lok Sabha election winner in 2019. Primarily used Python, Tableau.

🍃 EXTRA-CURRICULAR ACTIVITIES

○ Drama Club Member

July 2019 — March 2022

Wrote scripts for two plays, showcasing strong storytelling, narrative development, and creative writing skills.

Played the lead role in one play, demonstrating public speaking, stage presence, and confidence.

Assisted in casting decisions, evaluating actors based on performance, suitability, and role adaptability.

Organized and participated in college drama events, improving event planning, leadership, and coordination skills.

★ POSITIONS OF RESPONSIBILITY

○ Class Representative

June 2019 — June 2021

Acted as the primary point of contact between students and faculty, ensuring smooth communication and issue resolution.

Assisted in organizing college events, guest lectures, and academic workshops.

⚙️ COURSES

○ Introduction to Negotiation , Yale School of Management

○ Introduction to Blockchain, Insead School of Management
