## SUMMARY

Passionate about driving social change through economics and policy research, with a strong interest in women and child welfare. Proficient in written and oral communication, report drafting, case evaluation, and strategic advocacy, with a deep understanding of non-profit operations and philanthropic event coordination. Skilled in digital engagement, presentation development, and logical reasoning, bringing originality and problem-solving expertise to socially driven initiatives. Strong collaborative skills and a commitment to data-driven solutions for sustainable and inclusive development. Aspiring to contribute to policy formulation, economic strategies, and social welfare initiatives that drive measurable impact.
