Profile Summary

Second-year undergraduate student at CHRIST (Deemed to be University), YPR campus. Driven by an interest in the field of psychology and human mind. Passionate about advancing mental health through evidence-based psychometric assessments. Dedicated to research excellence, with a strong foundation in psychological science, assessment methodologies, and data-driven insights. Actively looking for internships and getting hands-on experience in various industries.

Education

CHRIST (Deemed to be University)

Bengaluru, Karnataka.

Bachelor of Science in Psychology (Honours).

- The curriculum emphasizes research-oriented subjects, including Academic Writing, Basic Statistics, and both Quantitative and Qualitative Research Methods, equipping students with essential research skills.
- An interdisciplinary learning approach is adopted, which enhances the development of a well-rounded knowledge base and sharpens both critical and creative thinking. Core courses cover topics such as Fundamentals of Human Anatomy, Medicinal Chemistry, and the History and Systems of Psychology.
- Students gain a strong grasp of core psychological principles, complemented by hands-on experience in experimental psychology laboratories.
- The program also fosters advanced writing skills and creative problem-solving through courses like Language and Comprehension and Language and Contemporary Society, which stimulate critical reflection on contemporary social and political issues.

Experience

Medical College and Hospital

Kolkata, West Bengal

Summer Intern

May 2024 - June 2024

- Medical College and Hospital Kolkata is a prestigious government institution known for its excellence in medical education and healthcare services, particularly in the field of psychiatry and psychological care.
- Worked in the psychiatric ward OPD and counselling wing, gaining practical experience in mental health care.
- Conducted IQ tests and personality assessments, developing proficiency in psychological evaluation techniques.

- Performed Mental Status Examinations (MSE) of patients, honing skills in clinical assessment and diagnosis.
- Engaged in direct patient interactions, refining communication and therapeutic skills in a clinical setting.

Anubhav Positive Psychology Clinic

Kolkata, West Bengal

Student Intern

Sep 2022 - Dec 2022

Leadership & Activities

Centre for Academic and Professional Support

CHRIST (Deemed to be University), Bengaluru.

Psychometric Assessment Wing

August 2024 - Present

- Volunteering at the CAPS Psychometric Assessment Wing, where I am administering and assessing various psychometric scales.
- Conducting psychological assessments, ensuring accurate data collection and reliable results for participants.
- Interpreting the results of psychometric tests and providing clear feedback to willing participants.
- Assisting in promoting awareness about psychological well-being, educating participants on the importance of mental health and self-assessment.
- Contributing to enhancing understanding of psychological assessments, helping to raise mental health awareness in the community.

Current Projects

Paper presentation at Conference

- Presented a research paper at the 15th Young Psychologist's Conference, a national-level event organized by CHRIST (Deemed to be University), specifically designed for undergraduate students.
- Currently working on a need study project with association to CAPS.
- Ranked among the top 10 out of over 300 applicants, gaining valuable exposure and recognition in the field of research.
- Attended various research conference presentations, acquiring insights into the latest trends and methodologies within the field of psychology.
- Currently collaborating with peers and mentors on research projects in psychology, with a particular focus on interpersonal relationships.
- Developed effective presentation skills through the observation of diverse presenters and their delivery styles.
- Expanded my professional network by engaging with peers, mentors, and experts during networking events at conferences.
