Profile

A dedicated Sociology student, currently pursuing my Masters degree in Mumbai University, passionate about social research, community engagement, and humanitarian work, with hands-on experience in surveys, assessments, and field research. Motivated and socially conscious individual, committed to amplifying voices of marginalized communities through research-driven advocacy and effective communication strategies. Seeking opportunities in survey-based research, social impact assessments, and NGO communications to contribute through program execution and outreach initiatives.

Experience

Field Research on Conflict & Displacement

(Relief Camps – Ideal Girl's College, Akampat & Khuman

Lampak Youth Hostel)

- Conducted first-hand experience field surveys to assess grievances and living conditions of displaced communities.
- Used qualitative interviews and quantitative data analysis to document key challenges.

LGBTQIA+ Community Research (Delhi University)

- Conducted social impact surveys on challenges faced by LGBTQIA+ individuals in university spaces.
- Analyzed findings to develop advocacy-driven insights for inclusive policies

Event Organizer (Inclusive Minds, Delhi)

- Planned & executed events for children, celebration programs, etc
- Handled community outreach & communication strategies to ensure engagement.

Ya_All Football Team

- Was a member of Ya_All Football Team in collaboration with Fast&Up India)
- for transmen football team.
