## PROFILE

I'm currently pursuing my bachelors of business management degree and my major is digital marketing. Other than business I've always been interested in writing, book reviews and event management, learning and engaging in new things .I also have a passion for photography and I'm a quick learner and like learning new things.

## EXPERIENCE

### SCHOOL DAYS

- During my school time I've been an active member of book review club and then writers club.
- I've reviewed books like Harry Potter and Matilda days in those clubs.
- Been an active part of event management club.

### UNIVERSITY

- I've participated i treasure hunts where you had to do critical thinking to crack the hints.
- I participated in a competition where I had to sell my product to my professor.

### INTERNSHIP

- I've done writing internship under EARTH5R.
- I've taught students English and other subjects during my school days.

## CERTIFICATES

- I've learnt drawing for 9 years and I've certificates in that.
- Participated in inter school competitions.
