Kolkata, West Bengal • + 91 8910613577 • aalapeechakraborty@gmail.com • linkedin.com/in/aalapee-c-22756a2a7

Second-year Multimedia Arts & Animation student with a focus on design and film studies. Passionate about blending creativity and technology to tell engaging stories through animation, film direction, and design. Skilled in animation software, cinematography, video editing, and motion graphics. Eager to explore new techniques, from traditional animation to digital effects, and collaborate on innovative projects. Strong teamwork, communication, and a continuous drive for growth.

EDUCATION

Integrated MSc in Multimedia Arts & Animation

St. Xavier's College (Autonomous), Kolkata

07/2023 - 12/2028

- Participated in the choir for GOONJ'23 & GOONJ'24, the annual fest of the Xaverian Academy of Dance & Music.
- Prepared craft installations, summary write-ups, mixed-media posters & social media content captions as part of the Social Media Management team (SMM), for the annual departmental fest, Elan.

Council for Indian School Certificate Examinations (CISCE)

Our Lady Queen Of The Missions, Salt Lake, Kolkata

04/2009 - 03/2023

- Achieved a score of (91.8%) in ICSE and received a certificate of academic excellence in English Literature.
- Demonstrated versatility through active participation in dramatics, dance, instrumentals, securing first position in drawing, writing, music and recitation in annual Talent Hunts, organised by the school and representation in national competitions such as the Silverzone English Olympiad.

PROJECTS

St. Xavier's College (Autonomous), Kolkata

09/2023 - Present

Creative Director & Audio/Video Editor, Short Film Pre-Production

- Directed the creative vision for a hypothetical short film in a group of three, collaborating closely with team members to brainstorm concepts, develop storylines, and outline production strategies.
- Executed video editing using DaVinci Resolve 18.5, applying advanced editing techniques to enhance visual storytelling and achieve a polished final product that resonates with the intended audience.

Animator, Traditional Hand-Drawn Bird Animation (Aalpona Style)

- Utilized MonkeyJam, a stop-motion software, to digitally compile and sequence the hand-drawn frames into a cohesive animation, achieving a smooth transition and realistic bird movement.

Coordinator, Elan Fest - Department of Multimedia and Animation Design

- Coordinated and led the Elan Fest for the Department of Multimedia and Animation Design, managing all aspects of the event, including planning, execution, and post-event evaluation to ensure a vibrant and successful experience for participants, leveraging Photoshop.
- Created innovative mixed-media posters and DIY projects that effectively conveyed themes of wildlife conservation and advocacy, utilising diverse materials and artistic techniques to engage and educate attendees.
- Developed comprehensive summaries and captions of key themes and objectives, articulating the significance of wildlife conservation through compelling narratives and presentations that resonated with the audience.

Scriptwriter & Presentation Designer

- Teamed up in a group of five to write and develop a compelling script for a short film, contributing creative ideas and narrative structure that enhanced the storytelling and character development.
- Engaged in brainstorming sessions and feedback discussions, refining the script through collaborative efforts to ensure coherence and emotional impact while aligning with the film's vision.

- Created and delivered an impactful PowerPoint presentation that showcased the film's concept, character arcs, and thematic elements, effectively communicating the project's goals and vision to stakeholders.

Heritage Photography Team Member

- Collaborated with a team to photograph historic heritage sites across Kolkata, using advanced camera techniques and settings to capture the architectural essence and cultural significance of these iconic buildings.
- Utilised professional photography equipment, mastering technical aspects such as lighting, composition, exposure, and framing to create visually striking and evocative images that tell a cohesive story.
- Curated and shortlisted a series of five compelling photographs, arranging them strategically to narrate the backstory and historical journey of Kolkata's heritage buildings, blending technical precision with creative storytelling.

Our Lady Queen Of The Missions School, Salt Lake, Kolkata (QMSSL)

04/2020 - 04/2022

Virtual Event Emcee & Multimedia Content Creator

- Created and edited impactful videos showcasing student artwork for World Mental Health Day, utilising technology and multimedia tools to raise awareness and inspire conversations around mental well-being.
- Leveraged digital platforms and technology like Adobe and Canva to produce professional-quality content, ensuring seamless virtual event experiences and visually compelling multimedia presentations.

LifeCode Anti-COVID Organisation

04/2021 - 01/2022

Creative & Technical Head

- Led a team of 60 youth volunteers as the Creative and Technical Head for LifeCode Anti-COVID Organisation, driving the design and dissemination of real-time COVID-19 awareness initiatives during the pandemic.
- Developed and launched a demo website, integrating key information and resources to streamline the organisation's outreach efforts, while ensuring an intuitive user experience and effective content delivery.

Our Lady Queen Of The Missions School, Salt Lake, Kolkata (QMSSL)

02/2019 - 03/2019

Student Research Assistant

- Conducted a comprehensive psychological survey on happiness and lifestyle changes, gathering insights from students and parents at the annual SUPW exhibition to analyse factors that influence happiness and well-being.
- Collaborated in a team of three to create and deliver a dynamic PowerPoint presentation on stress management strategies, integrating psychological principles and practical techniques under the guidance of a senior mentor.

VOLUNTEERING & LEADERSHIP

LifeCode

Creative Designer

As a Creative Designer at LifeCode, I contributed to the organization's mission of empowering communities by delivering impactful design solutions for their various outreach programs. Working alongside a dynamic team, I played an instrumental role in conceptualizing and designing visual content for both digital and print media, ensuring that the brand message resonated with diverse audiences.
