WORK EXPERIENCE

ISO Green Audit Intern

Tropical Institute of Ecological Sciences (TIES), St. Teresa's College, Ernakulam

March 2025 – Present

As an intern, I conduct water audits, analyzing campus water usage and wastage for conservation and awareness. I also assist in ecological research, sustainability initiatives, and knowledge dissemination through training and outreach.

Prevalence Study Intern

Fourth Wave Foundation - Project Venda, Kochi and St. Teresa's College, Ernakulam

January 2025 – Present

Conducting a prevalence study on substance abuse involving 12,000 households in the Ernakulam District. Leading a team as co-coordinator representing the college, handling survey administration and data collection.

Public Policy Research Intern

Nayaneethi Policy Collective (NPoC), Virtual

January 2025 – February 2025

Focused on impact evaluation and analysis of policy outcomes. Contributed to evidence-based policy-making by applying research methodologies.

Research Intern

International Institute of SDGs & Public Policy Research, Virtual

December 2024 – February 2025

Conducted in-depth research on international relations and global governance. Authored articles on international policies, contributing to the institute's knowledge base.

Psychology Intern

Ichars Support Foundation, Virtual

August 2024 – October 2024

Gained exposure to psychotherapy techniques, including hypnosis, CBT, REBT, and psychoanalysis. Applied practical approaches such as inner child healing and mindfulness-based strategies.

Library Intern

St. Teresa's College, Ernakulam

July 2024 – October 2024

Gained hands-on experience in library operations and learned the fundamentals of library science.

Sales and Marketing Intern

Younity, Virtual

May 2024 – June 2024

Built practical skills in sales, client handling, and marketing strategies over a 14-day internship.

Developed and applied innovative sales techniques to engage potential clients.
