PROFILE

With diverse experiences across journalism, international entrepreneurship, and social impact, I bring a unique blend of creativity, analytical thinking, and leadership. From interning at The Indian Express to representing India in Sweden, leading a successful ₹50,000 Ketto campaign, and contributing to a restaurant expansion project—I'm eager to learn, adapt, and add value.

WORK EXPERIENCE

The Indian Express

Intern

- Assisted with editorial research, story ideation, and content development
- Collaborated with senior writers and learned the nuances of journalism
- My article was published in print and online: [Read it here](#)

International exchange programme to Sweden

17 Days in Uppsala, Enköping and Stockholm

- Represented my school in an international entrepreneurship program in Sweden, known for its innovation and business excellence
- Collaborated with Swedish students to create a sustainable business idea and presented it to a panel
- Gained global exposure, teamwork experience, and real-world entrepreneurial skills through school and company visits

Sale & Pepe - Ristorante Italiano

- Interned at Sale and Pepe, a Times Food Award-winning Italian fine dining restaurant
- Worked on their expansion project by conducting market research, competitor analysis, and exploring Pune locations
- Supported digital marketing efforts and was appreciated with a ₹10,000 reward for my contribution

Ketto - Crowdfunding & Medical Fundraising in India

- Led a team of five for a Ketto campaign focused on rural sanitation and hygiene
- Created a fundraising page, ran awareness campaigns, and designed digital ads and content
- Raised ₹50,000 in just over a month and received appreciation for our leadership and impact
