

Ashmitha Megha

STUDENT OF ECONOMICS AND SOCIOLOGY

PROFESSIONAL SUMMARY

I am a passionate student of Economics, Sociology and Political Science, interested in understanding societal structures and advocating for marginalized communities. With a strong foundation of understanding different communities, I strive to address critical social issues, particularly in child protection, women empowerment and community development. I enjoy blending analytical thinking with research, or hands-on social work. My multilingual abilities, teamwork experience with NGOs, and keen interest in photography further enhance my ability to connect with people and drive meaningful change. With an eye for detail and a commitment to social impact, I aim to contribute to initiatives that create a more just and equitable society.
