ABOUT ME

Hi!! I am Yashica or you can call me Yashi as well, i am a very joyous and settled individual. I tend to think creative and have an open mind about about most of the things. I pay good attention to detail and hold efficient organizing skills related to objects and events. I am high on my values and engage in creative activities now & then - whether its expressions of writing or forms of art, thus making myself emotionally intelligent and self aware. My interpersonal skills are quite engaging highlighting active listening, empathy and supportive teamwork. Yeah that's quite about it :p
