WORK EXPERIENCE

Mechanical Engineering • Internship

Nov 2024 - Present

Ashok Leyland, Chennai

Analyzed the engine sealing system to assess its effectiveness in preventing fluid leakage in heavy-duty engines. Identified potential leak points through data collection, root cause analysis, and hands-on inspection of engine assemblies. Proposed innovative design & process improvements to enhance sealing performance and minimize leak occurrences. Collaborated with cross-functional teams to integrate findings into assembly line processes.

EDUCATION

B.Tech

2023 - 2027

Indian Institute Of Technology Madras

Senior Secondary (XII), Maharashtra State Board Of Secondary And Higher Secondary Education

2023

Shikshan Maharshi Sanjay Jiwatode College

Percentage: 82.30%

Secondary (X), CBSE

2021

St. Michaels English School, Chandrapur

Percentage: 94.64%

TRAININGS / CERTIFICATIONS

UI/UX With Figma

Jan 2024

IIT Madras, Virtual

Participated in the UI/UX with figma workshop by IIT Madras as a part of SHAASTRA

SKILLS

- Adobe Photoshop
- Adobe Illustrator
- Video Editing
- Content Marketing
- Social Media Marketing
- Digital Marketing
- Adobe Premiere Pro
- English Proficiency (Written)
- Canva
- Event Management

EXTRA CURRICULAR ACTIVITIES

- Team member in Videography and editing team of GHC (global hyperloop competition)
- Event manager in MEA (mechanical engineering association)
- Election manager in SEC (student election commission)
- Manager in Graphic Design & Media team in E-Cell IIT Madras

ADDITIONAL DETAILS

- Secured 1st rank in inter-school quiz competition among 50 schools of the city in the year 2019
- Secured 14401 CRL rank and 1469 category rank in JEE Advanced 2023 exam
