Skills

- Strong Communication Skills
- Teamwork & Collaboration
- Adaptability
- Critical and Analytical Thinking
- Multilingual: English, French (Basic), Hindi

Achievements

I have always been a passionate orator , actively participating in various oratory competitions and consistently securing top positions . Writing has been another significant passion of mine which has lead me to compose poems and publish articles in school and college magazines . My curiosity and eagerness for knowledge further drove me towards academic research , culminating in my participation in the university research paper competition during my graduation . Currently , I am working on publishing an article in a Cultural Studies journal .
