ACADEMIC PROJECTS

"Trump's Liberation Day Tariffs: An Economic Analysis" (2025)	- Carried out research and drafted a report about the global implications of US import tariffs on the rest of the world. - Analyzed and made predictions about what impact this would have on the stock market, exchange rates and Republican sentiments.
"Mandate Manufacture" (2024)	- Created a political party from scratch and ideated and drafted a party manifesto for the same. - Conducted election campaigns for said party (designed and printed posters, created an Instagram account, shot and edited a news bulletin about party campaigns, etc.) all of which were a part of the final presentation which was followed by a mock election within class.
"Core v/s Periphery" (2024)	Analyzed income disparities between Vietnam and Denmark through real life living conditions and analyzed the same through the Harrod Domar Growth Model.
"Poster: Ganga Action Plan" (2024)	- Researched and designed a poster about the ambitious Ganga Action Plan, current developments in the plan and the predicted future outcomes of the same. - In-depth SWOT analysis of the plan.
"Hunger Games: The Bourgeoisie Fantasy" (2024)	- Drafted a report on the cultural hegemony and class divide portrayed within the Hunger Games (a fictional franchise). - Analyzed the same through two lenses: Marxism and Leninism. - Discussed the real-life reflections of the same.
"Flatpack Economy: Examining the IKEA Effect" (2023)	- Analyzed the IKEA effect through a microeconomic lens including price discrimination and adaptability to consumer preferences. - Highlighted the various microeconomic strategies and principles used by business giants like IKEA to succeed in the global market. - Analyzed the way brands like IKEA used marketing and advertising as a strategic tool enabling them to turn into a household name.
"Economic Opportunities for the Transgender in India" (2023)	- Created a political party from scratch and ideated and drafted a party manifesto for the same. - Conducted election campaigns for said party (designed and printed posters, created an Instagram account, shot and edited a news bulletin about party campaigns, etc.) all of which were a part of the final presentation which was followed by a mock election within class.
Entertainment media and sociological issues (2023)	Conducted a presentation wherein we analyzed popular television shows and the caste and gender issues highlighted through subtle nuances and their sociological impact.
