INTERNSHIP EXPERIENCE

05/2024 – 07/2024 Vijayawada, India	Civil and Criminal District Courts and chambers of Senior and Junior Advocates Senior Adv. B. Surya Prakasa Rao and Junior Adv. K. Laasya Priya I'm glad to share my enriching summer internship experience, completed under the guidance of B. Surya Prakasa Rao sir, a senior advocate at the District Court of Vijayawada, and with insights from K. Laasya Priya, a distinguished KL College of Law alumna. My internship involved rigorous routines, starting with punctual attendance for Court's Call work and Trial work. Initially, I handled cases for adjournments and passovers and later observed Trial work proceedings, enhancing my understanding of courtroom dynamics. Daily, we reviewed case facts, the case stage, and prepared documents such as Absent Petitions, Affidavits, and Discharge Petitions. My initial role included assisting in drafting, but as my skills improved, I began drafting independently, refining my drafting and research abilities. Saturdays were dedicated to mock court sessions, practicing legal concepts like divorce, marriage under Family Law, and Maintenance under CrPC. These sessions, along with observing various courts (Civil, Criminal, Family, Mahila, CBI, POSCO), broadened my exposure to legal practices. I also witnessed Mediation Mechanism through LOK ADALAT and client counseling sessions, gaining practical insights into dispute resolution and mediation. Additionally, I attended a Three-Day Residential Orientation Programme with Hon'ble Judges and Senior Advocates, which provided valuable perspectives on the legal profession. This 2.5-month internship has been profoundly enriching, offering hands-on experience and invaluable lessons in legal field. I'm grateful for the opportunity and look forward to future internships and learning experiences.
06/2024 – 07/2024 Vijayawada, India	HR Management Maruti Suzuki Arena Alongside my academic journey, I had the incredible opportunity to complete a BBA internship in HR Management at Maruti Suzuki Automotors. During this internship, I gained hands-on experience in recruitment processes, employee engagement, and performance management, which significantly broadened my understanding of business operations and the key role HR plays in driving organizational success. This experience not only enhanced my skills but also provided me with invaluable insights into the automotive industry's dynamic work culture. I'm excited to apply these learnings in my future endeavours and continue growing in the field of HR.

Court observation and chambers of Senior Advocate

N. Bhavani Prasad

As part of the Summer Internship Program 2023, I had the privilege of interning under Senior Advocate N. Bhavani Prasad at the District Court, Vijayawada from 3rd July 2023 to 3rd August 2023. This one-month legal internship provided valuable exposure to the practical workings of the legal system, court procedures, and the functioning of an advocate's chamber. Each day began at around 10:30 AM and extended till 4:00 PM, with some flexibility based on court schedules. I was actively involved in various tasks such as reading case files, attending client meetings, observing court hearings across different courts including Additional Sessions Courts, Metropolitan Courts, Family Court, and the POSCO Court. A significant part of my work involved researching relevant case laws and judgments, and observing the conduct and advocacy style of Senior Advocate Bhavani Prasad in court. Throughout the internship, I gained exposure to important legal concepts such as the Hierarchy of Courts, Ex parte Decree, Section 306 IPC, Substituted Service of Summons, and the Stages of Civil and Criminal Cases. The experience helped enhance my legal research, communication, and courtroom observation skills, and also contributed to my overall personality development. This internship proved to be a stepping stone in my legal journey, giving me insights into real-world legal practice and strengthening my foundation for a future career in law. I look forward to more such learning opportunities to continue expanding my legal acumen.
