Profile

Dynamic urban development intern with hands-on experience in project management and a commitment to community engagement. Adept at data analysis and effective communication, consistently contributing valuable insights to collaborative projects. Strong ability to thrive under pressure while fostering teamwork to achieve project goals. Currently pursuing a Master of Social Work, dedicated to continuous learning and professional growth. Eager to leverage skills in a dynamic internship, aiming to make a positive impact on community development initiatives.

Employment History

Intern, Chennai Metropolitan Development Authority

FEBRUARY 2023 – MAY 2023

Engaged in an internship at the Chennai Metropolitan Development Authority, contributing to various projects and gaining insights into urban development and planning processes. Responsibilities included assisting in research, data collection, and analysis related to urban infrastructure projects. This role provided valuable exposure to the workings of a government agency and the challenges of metropolitan management.

- Participated in the analysis of urban development reports and proposals.
- Collaborated with team members on research initiatives, enhancing knowledge of community needs.
- Contributed to presentations and documentation for stakeholder meetings.
- Developed strong communication skills through interactions with various departments.
