SUMMARY

I bring a well-rounded skill set shaped by my academic background, professional training, and practical experiences. Having recently cleared **Group 1 of the CS Executive** exams conducted by ICSI, I possess a strong foundation in legal, corporate, and ethical frameworks. My core strengths include effective **communication, adaptability, and problem-solving**. Leadership roles in college clubs and the editorial board have sharpened my organizational and **collaborative abilities**. Additionally, coordinating the **CPBFI course with Bajaj** has strengthened my **interpersonal and management skills**. My passion for learning and reading enables me to connect with diverse perspectives and contribute thoughtfully to community-focused initiatives.
