SUMMARY

Extremely motivated and flexible undergraduate in Economics, strong foundation of problem-solving and analytical thinking along with creativity. Worked as an intern at Unnati Associates and gained a great deal of experience in handling HR operations with the skills for recruitment, screening candidates, and communication. Knowledgeable in Python and AI; database management is a keen interest along with designing and creative writing. Proficient in Hindi and English; learning is an interest as well as traveling, exploring innovative solutions. I am seeking opportunities to apply my skills and grow in dynamic environments.

EXPERIENCE

1. HR INTERN

August 2024 – October 2024

Unnati Associates

Pune

- Interviewed job applicants to obtain information on work history, education or job skills.
- Sourced, qualified and conducted screening interviews with job candidates.
- Assisted with the recruitment process by conducting initial phone screens and scheduling interviews.
