

Charu Malik

ASPIRING CONTENT WRITER | PASSIONATE ABOUT SOCIAL IMPACT

Manipal University Jaipur | 9717438425 | charu.malik2210@gmail.com

Objective

I am a motivated and empathetic first-year Computer Science (Data Science) student with hands-on experience in content writing and editing. Passionate about creating stories that inspire awareness and action. Eager to contribute to CRY's mission by crafting impactful, clear, and heartfelt content to amplify child rights and social change narratives. Seeking to learn, grow, and give back through meaningful communication.

Experience

Editorial Junior Team Member | IEEE CS

2024-2025

- Contributed to the planning, writing, and editing of articles and promotional content for IEEECS events.
- Crafted clear and engaging copy for promotional messages, newsletters, and social media posts.
- Worked collaboratively with team members to ensure consistent tone, style, and quality across all content.
- Assisted in brainstorming and developing ideas for new content formats to increase engagement with the audience.

Online ART Class Instructor (Volunteer) | Sunderji's Institute of Special School

2021

- Conducted online art classes for children with special needs, adapting lesson plans to cater to various learning abilities.
- Developed personalized learning materials and activities to keep students engaged in a virtual setting.
- Fostered a positive and supportive environment to encourage creativity and self-expression in students.
