About Me

A results-driven professional with a passion for learning, problem solving and building strong relationships. With experience in teaching, sales, and diverse roles, I bring a unique blend of analytical thinking, adaptability, and effective communication. Interested in contributing to a dynamic team and deliver impactful results in both tech and nontech environments.

Education

St. Joseph Convent School 10th grade	April 2015 - May 2016
St. Joseph Convent School 12th grade	April 2017 - May 2018
Hawabagh College RDVV University Bachelor of Commerce	June 2018 - July 2021
Hawabagh College RDVV University Bachelor of Education	July 2021 - July 2023

Work Experience

Academic Consultant, ABS Coaching Classes June 2018 – Present

- Provided personalized tutoring for 150+ students (grades 1-10), designing tailored lesson plans that improved academic performance, increased confidence, and improved problem solving skills.
- Managed all aspects of the tutoring business, including scheduling, curriculum development, and maintaining academic records, while fostering strong relationships with parents through regular feedback and progress reports.
- Demonstrated leadership and academic consulting skills by offering expert guidance and mentorship to students and parents, helping to cultivate a growth mindset and drive academic success.

Odisha Development Management NGO, Odisha March 2023 – April 2023

- Played a key role in organizing events, fundraising and community outreach for the Odisha Development Management Program (ODMP), significantly increasing awareness and support for local beneficiaries.
- Collaborated with cross-functional teams to develop and implement campaigns, manage resource distribution, and streamline project operations while developing research, sales, and communication skills.
