Statement of Purpose

A compassionate and a motivated student of sociology with a strong foundation in human behaviour, ethics and community engagement. Keen in applying academic knowledge and interpersonal skills to support individuals and communities in overcoming societal challenges through an internship in a social service organisation.

Experience

Have been part of various social initiatives taken by my school and college along the years.

- Part of CSA's (Centre for Social Action at CHRIST University) volunteer body. (2024-present)
- Part of CUC (Christ University Choir) where we partnered with CSA to put up a musical show "Symfusion'25" to thank all our soldiers in the Armed Forces. (2024-present)
- Have attended talks and paper presentations on Climate Action and Policy making in the YEC'25 (Young Economist Competition).
- Have been part of student volunteer body (Logistics and Cultural team) for BSSS'25 and YSC'25 (Bengaluru Sociology Students Seminar with theme "Bengaluru's Urban Tapestry: Threads of Change"; National Young Sociologist Conference with theme "Media, Platforms and Society)
- Was part of [#kshitijxppaforstrays](#), an initiative taken up in collaboration with [Planet for Plants and Animals - PPA](#) and supported by [Mumbai North Central District Forum](#). (2022)
- Have been part of MSR (My Social Responsibility) activities all through school life with projects like Tree Plantation, Joy of Giving week, visit to Old age homes and NGOs.
- No internship experience so far.

Declaration

I hereby declare that the above mentioned information is true to the best of my knowledge.
