

PROFILE

A first-year student pursuing Economics at NMIMS with a passion for economics and finance, I aspire to become an actuary in the insurance sector in future. Beyond my academics, I am deeply involved in several college activities like volunteering, content creation, researching and many more to make a meaningful impact on the society.

ACCOMPLISHMENTS

Co-curricular Award

I received the **Co-Curricular Award** for my active participation and achievements beyond academics. My contributions to various

extracurricular activities, competitions, and leadership roles showcased my dedication, skills, and overall impact.

Extended Essay

Managed to write a research paper on minority right, highlighting a correlation between fulfilment of human rights and economic status. The paper specifically explored the economic status of Rohingya refugees in India and their human rights.
