About Me

A motivated first-year law student at O.P. Jindal Global University, driven by a strong commitment to learning, growth, and meaningful contribution. Eager to explore various fields within law and business, I aim to build a solid academic foundation alongside practical experience. Known for my creativity, analytical thinking, and adaptability, I approach every opportunity with enthusiasm and a collaborative mindset.

Actively involved in event organizing, I've developed strong interpersonal and teamwork skills, along with the ability to think quickly and respond effectively in fast-paced situations. I enjoy engaging with people, taking initiative, and contributing to shared goals with energy and focus. As I continue to grow both personally and professionally, I remain committed to becoming a well-rounded individual ready to make a positive impact in the legal field and beyond.

Avinash College of Commerce, Hyderabad

- Civics, Economics, Commerce & Accountancy
- Batch of **2022-2024**
- marks: 789/1000

WORK EXPERIENCE

Office of P. Vinayaka Swamy

Legal Intern (December 2024)

Skills: Legal research, case analysis, observation

- During my internship, I had the chance to attend proceedings at the Civil Courts and High Court of Telangana, giving me firsthand exposure to legal practice. I worked on legal research, case law analysis, and preparing legal notes, focusing on cases related to land disputes and arbitration. Being involved in these cases helped me develop a sharper understanding of complex legal issues and how they play out in real-world scenarios. This internship reinforced my interest in litigation and dispute resolution while also giving me a strong foundation for working in a professional legal setting.

Akshaya Vidya Foundation (NGO)

Intern (January 2025)

Skills: Communication, Data analysis, community engagement

- During my internship, I had the opportunity to work closely with children from slum communities, an experience that profoundly shaped my understanding of social inequality and deepened my interest in child rights. I was actively involved in assessing the data and backgrounds of the students, which enabled me to contribute meaningfully to designing a tailored syllabus that addressed their specific learning needs. Through daily interactions, I formed strong connections with the children, gaining a first-hand perspective on the multifaceted challenges they face, from lack of access to resources to emotional and psychological barriers. These experiences not only enhanced my communication and organizational skills but also strengthened my resolve to work towards ensuring equitable access to education and protection for all children.

EXTRA-CURRICULAR ACTIVITIES

Discipline Prefect & Student Council member

Represented the student body, upheld discipline across school events, and collaborated with faculty to address student concerns. Played a key role in organizing school activities and promoting a positive, inclusive environment.

Secretariat Member – ACC MUN

Served as a Secretariat Member and Head of Design for two editions of ACCMUN, a fully student-led Model United Nations conference. Led the design and branding of all event materials, managed delegate registrations, and played a key role in organizing and coordinating the overall execution of the event.

The Final Stand – Inducted Member

Passionate about sustainability and environmental awareness, I actively contribute to eco-friendly initiatives on campus and in the community through campaigns, awareness drives, and collaborative projects under JGU's environmental society.

Esports & Creation Society – Core Member

E-Sports & Creation Society, which hosts a variety of dynamic gaming and content creation events on campus. As part of the Social Media Team, I contribute to promotional strategies by creating engaging reels, designing content, and helping increase the society's digital reach and engagement.

Alternative Dispute Resolution Society – SM Manager

Currently managing the ADR Society's social media presence, despite first-years not yet being eligible for official induction. I contribute by designing and scheduling posts, increasing engagement, and promoting events and initiatives. Actively working towards full induction into the society in my second year.

Outreach Organising Committee

Served as part of the outreach and organizing teams for key university events, including Biswamil (cultural fest), MAGNUS (sports fest), and the International Affairs Youth Summit. Responsible for driving delegate and participant registrations through targeted outreach and communication efforts. Collaborated with teams to ensure successful event execution and engagement.

Team Management – Member

Handled participant management during major campus events, including coordinating with large contingents and ensuring smooth on-ground operations. This role strengthened my interpersonal communication, quick decision-making, and problem-solving skills in high-pressure, fast-paced environments.

India Policy Forum, JGU – Inducted Member

Actively involved in organizing events, speaker sessions, and policy discussions on pressing national and global issues. As part of the social media team, I contribute to promoting events, creating content, and expanding the forum's digital presence to engage a wider student audience.

Rotaract Club, JGU – member

Engaged in community service initiatives through the Rotaract Club, contributing to projects that focus on youth development, education, and social welfare. Actively involved in organizing events, building connections, and promoting a culture of service and social responsibility within the university and the local community.
