RESEARCH PROJECTS/ CO-CURRICULARS

D G Ruparel College

Research Assistant, under Prof. Sonali Bare

(02/2024 – 03/2024)

- Conducted research on demat accounts and online trading to evaluate user experience on online trading facilities. Analysed market reports and user feedback using graphical presentation analysis to identify and recommend special accessible improvements for online trading facilities in D G Ruparel college.

Student researcher, under Prof. Utkarsha Joshi

(09/2023 – 10/2023)

- Conducted a case study on customer satisfaction with HDFC Bank's online banking at D G Ruparel College, focusing on ease of use, transaction speed and customer service quality. Data was interpreted using primary data from questionnaires and secondary data from various sources.

Student researcher, under Prof. Prachi Ganu

(03/2025 – 14/2025)

Financial analysis of Colgate India

- Conducted a comprehensive analysis of Colgate India's financial performance for FY 2024, along with the past 6 years, focusing on its Income Statement, Balance Sheet, and Cash Flow Statement. Evaluated key financial ratios, profitability, liquidity, and solvency, identifying trends and potential risks. Additionally, assessed Colgate India's credit rating, examining its financial stability and ability to meet obligations. The findings provide valuable insights into the company's overall financial health and future outlook.

Student researcher, under Prof. Prachi Ganu

(14/2025 – 17/2025)

Case study and Financial analysis of Bata India Ltd

- Conducted a comprehensive analysis of Bata India Ltd, utilizing a case study approach. The project involved writing an industry profile of the footwear sector and a business profile of Bata. Analyzed Bata's financial performance for FY 2024, computed key financial ratios, and created detailed financial statements in Excel. Also provided a commentary on the Income Statement, Balance Sheet, and Cash Flow Statement, and assigned a credit rating based on the company's financial health. Additionally, Assessed Bata's management profile, conducted a peer comparison within the footwear industry, and provided a final outlook on the company's performance.

Zomato Company Analysis | Group Project

(20/2025 –24/2025)

- Conducted a detailed business analysis of Zomato as part of a group project.
- Individually responsible for developing and presenting the **Business Profile** and **Business Description**, highlighting Zomato's core offerings, revenue model, and strategic objectives.
