General Summary

I am a student of Bachelor of Fine Arts (2022-2026) with specialization in Graphics Design and now continuing my 6th semester in Amity University. Since I have got the opportunity to continue my higher studies in my favourite field, I am happy to give the best of mine. I am looking for an internship in a responsible position to gain practical experience related to my curriculum enabling me to apply my knowledge and skills. All will help me to grow as a fresh graduate.
