Professional Summary

A passionate and driven first-year student at Lovely Professional University with hands-on experience in team coordination and event management. Adept at oratory activities including debates and public speaking, with a strong flair for creative writing-having scripted numerous performances for school and college events. Known for taking initiative, handling administrative responsibilities effectively, and thriving in dynamic, team-oriented environments. With aspirations to join the civil services, I am committed to continuous learning, enthusiastic in my approach, and determined to contribute meaningfully to any organization I become a part of.
