WORK HISTORY

September 2024 - Present

Intern

Delhi Foundation Of Deaf Women, Delhi

As an intern at the Delhi Foundation of Deaf Women, I supported the deaf community by learning sign language and effectively communicating with deaf women and students. I managed the foundation's social media to raise awareness about their initiatives, including the sale of handicrafts made by hearing-impaired women. I organized a sign language-interpreted mental health workshop for students, addressing issues like stress and anxiety. Additionally, I assisted in setting up stalls for the Diwali Mela to showcase and sell handicrafts, and volunteered for the Swayam Shakti program, providing legal assistance to deaf women and children. This experience enhanced my skills in communication, event coordination, and understanding accessibility and legal rights.

August 2024-August 2024

Intern

Anglo Arabic School, Delhi

During my fieldwork at Anglo Arabic School, I assisted in organizing and supporting a medical camp aimed at providing basic healthcare services to students. I helped with the registration process and guided students in filling out forms for eye tests, BMI calculations, and doctor consultations. This experience enhanced my skills in communication, organization, and teamwork while providing valuable exposure to a school setting

VOLUNTEER EXPERIENCE

National Service Scheme, Ernakulam , Kerala

July 2018- March 2020

Organized and assisted with events, activities and programs to drive outreach initiatives. Participated in adopted community clean-up and enrichment projects. During the Kerala floods, I assisted in disaster relief efforts by helping distribute essential supplies, including food, water, and medical kits, to affected communities along with organization

Junior Red Cross, Alappuzha, Kerala

June 2016-March 2018

As a Junior Red Cross volunteer, I participated in various community service activities, including first aid training, disaster relief efforts, and health awareness.
