EXPERIENCE

1. Community Development Volunteer

Child Welfare Committee, Bengaluru, Karnataka
07/2024 - 10/2024

Worked under the District Child Protection Unit to conduct interactive sessions using evidence-based approaches. Engagement included helping children develop hobbies, conducting psychosocial sessions to raise awareness about basic hygiene, menstrual hygiene, and well-being enhancement.

2. Clinical Psychology Intern Trainee

Brain Behaviour Research Foundation of India, New Delhi, Delhi
06/2023 - 07/2023

Acquired skills in case history taking, mental status examination, screening and assessment, role-playing techniques, and research methodology.

3. SEO Content Writing Intern

Compactum Media, Greater Noida, Uttar Pradesh

04/2023 - 07/2023

Writing content for a data driven marketing firm that helps tribal artisans and businesses to reach bigger markets. Worked with Sarva Vedom, Al-Hafa and Paridhi, projects that have a social impact.

4. Research Volunteer

Margika, New Delhi, Delhi

09/2022 - 05/2023

Researched on social and psychological phenomenon, including bullying, media violence, and depressive realism.

5. Psychological Research Intern

snealth, New Delhi, Delhi

04/2022 - 06/2022

Compiled an extensive report on Post-Traumatic Stress Disorder (treatment and lifestyle).

Tested the efficacy of treatments in Mental Healthcare with a team. Facilitated support to communities, clubs and circles.

Developed care packages and comprehensive questionnaires.

6. Clinical Psychology Intern

Mendlife Organization, New Delhi, Delhi

12/2021 – 04/2022

Provided support to the primary therapist. Made session plans by coordinating with the client. Maintained documentation and organized listening circles within the community, every week.
