Profile

Highly motivated recent high school graduate driven to gain new experiences, achieve personal growth, and attain financial independence through hard work and real-world opportunities. Has experience in content and essay writing , my writing being published in Anandamela Khude Pratibha and TTIS multiple times. Also with an innovative and exploring mind, I worked in a self published magazine in middle school.

Hindi	Very good command

Education

1 12th pass

Auxilium Convent School,
Kolkata

April 2011 – March 2025

- I recently graduated high school and my stream was commerce , which gave me many insights on many real world problems and situations.

Extra-curricular Activities

2 Publishing of magazine

self employed, Kolkata

September 2018 – August 2019

As a middle schooler, me and some of my peers published our own magazine , which included a self written story, poems , self assessed quiz etc.

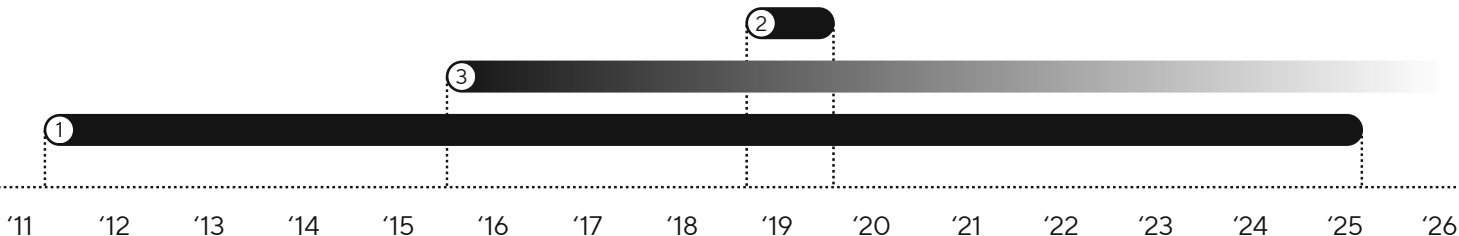

This helped me to get a slight taste of financial freedom , as the revenue gained by selling it to my schoolmates contributed hugely to my monthly allowance at that particular period of time.

3 Participation in essay and story writing competitions.

Self Employed, Kolkata

July 2015 – Present

I participated and earned third and second positions is ABP Anandamela Khude Pratibha in 2015 and 2018. Also participated in numerous school essay writing competitions.

Hobbies

Reading, writing, exploring various topics
