

LAKSHMI RAHUL

1st YEAR LAW STUDENT

PROFILE

I'm a first-year law student at ILS Law College, Pune, currently wrapping up my second semester. I have a deep interest in understanding how the law shapes people's lives and am keen to build that understanding beyond the classroom through internships and fieldwork. My long-term goal is to become a public interest lawyer with a strong grounding in legal reasoning and a commitment to making the law more accessible. At the heart of my journey is a desire to bridge the gap between complex legal systems and the people they are meant to serve.
