## About Me

I am a motivated and curious first-year Psychology student with a strong interest in understanding human behavior, mental health, and emotional well-being. Eager to apply psychological concepts in real-world settings and develop practical experience through volunteering, internships, or research opportunities. Known for being empathetic, a good listener, and a collaborative team member. I am currently seeking opportunities that will allow me to grow both personally and professionally in the field of psychology.

## Work Experience

### Fortis Hospital

2023

Internship under Dr. Samir Parikh

i did a 6days internship program at Fortis Hospital, Shalimar Bagh.

- I was the President of my school's society
  - I was also Head of another society
- I was part of my school's Interact club for 2 years
  - During those 2 years I did a lot of social work like, visited to old age home, went to a village where we spent time with kids played with them taught them, did some workshops about important issues, cultural exchange programs, etc.
- I am the social media head in my university's one society, also member of other as production member
